

Vintage Ice Cream Tricycle

Vintage Ice Cream Tricycle

Make your event extra special with one of our stunning, traditional style ice cream tricycles.

Our service offers unlimited ice cream to keep your guests happy; while you have your wedding photographs taken, as dessert after your meal or as a special attraction at your event, creating unique and memorable experiences for you and your guests at your Wedding Reception, Party or Special Event. Our environmentally friendly ice cream tricycle can be setup indoors or outdoors. Unlike other vehicles, our ice cream tricycle has the flexibility to be set-up pretty much anywhere we can park our bike.

We use Mendip Moments award winning, luxurious ice cream that is handmade on the family dairy farm in Somerset just 2 miles from our kitchens using milk and cream from their pedigree herd of Holstein cows. They also have a range of refreshing, dairy free sorbets, bursting with fruit and made with the water from their own Mendip Spring.
